

COL. WHITTLESEY'S PARENTS TO DECIDE ON MEMORIAL PLAN

Their Wishes to Be Consulted
Before Comrades Make
Arrangements.

Arrangements have been set afoot for impressive memorial services for Lieut. Col. Charles W. Whittlesey, commander of the "Lost Battalion" of the Argonne Forest, who disappeared from the United Fruit liner Tolosa on its way from this port to Havana late Saturday night or early Sunday morning. A conference will be held with his parents, and their wishes deferred to before the arrangements are advanced to their conclusion.

Plans for the memorial were discussed at a meeting yesterday afternoon in the office of John B. Pruyn, No. 2 Tector Street, former law partner of Col. Whittlesey. Those present with Mr. Pruyn were Capt. George T. McMurtrie, Major Alan L. Lindley, Major Lucien S. Breckinridge, Major Kenneth Budd and Father James J. Mulligan, all former members of the 308th Infantry. A committee was named to consult with the Colonel's parents.

That Col. Whittlesey had been deliberate in his arrangements for his death at sea later has been determined. He made a will a few days before the vessel sailed and deposited it in his safe deposit vault, the key to which is in one of the nine letters the Colonel left for Capt. Grant of the Tolosa, with instructions to mail at Havana. The stenographer in the office of White & Case, who drew up

the will, recalls that everything was left to his mother.

Col. Whittlesey engaged passage on the Tolosa for Havana on Nov. 18, a week before she sailed. He selected a stateroom well forward on the promenade deck, where he would be free from the scrutiny of other passengers and his movements unobserved.

Capt. Grant, in his last wireless, says that Whittlesey left the smoking room at 11.15 o'clock on Saturday night and was seen no more.

William F. Deegan, State Commander of the American Legion, issued the following statement from State headquarters:

"The American Legion of New York has suffered a grievous blow in the death of Col. Charles W. Whittlesey. He was one of the whitest, cleanest and most sympathetic of men in the whole Legion, and had been of inestimable value to the organization in his efforts to better the condition of wounded and disabled ex-service men.

"Whether or not his death was voluntary is not of moment, although the American Legion knows of no man who was so completely buried with the care and consideration of ex-service men in trouble. It is easily conceivable that the burden of so many individual cases upon his sym-

pathetic nature may have been overwhelming. It should prove a lesson to the rest of us Americans that there is still a great deal to be done for those who suffered for all of us."

Just buy Diamond Dyes—no other kind—then your material will come out right, because Diamond Dyes are guaranteed not to streak, spot, fade, or run. Tell your druggist whether the material you wish to dye is wool or silk, or whether it is linen, cotton, or mixed goods.—Advt.

To Avoid Rough, Coarse, Chapped, Blotchy Skin

Most skins require constant grooming at this season to keep them from becoming unattractively red, blotchy, coarse, rough or parched, or if such condition has developed to overcome it. In such cases it is particularly inadvisable to keep piling on cosmetics which clog the pores and make the complexion worse than ever. It's a lot more sensible to use a good mercurized wax, which literally absorbs a soiled complexion. Apply the wax, like cold cream, before retiring. Next morning, in washing it off, you'll wash away the four-like particles of the unsightly outside. Repeat for a week or more and you'll have an entirely new skin—soft, white, spotless and beautiful as a child's. One ounce of mercurized wax, procurable at any druggist's, is all you'll need.
